

## Letter of Enrollment

**Dear Govind Jitendra Rajewar,**

This letter is to inform you that you are successfully enrolled in our Guaranteed Job Program on Full Stack development.

The program will start on 29 Jan 2024. . You will be going through 16 weeks of MERN stack (MongoDB, Express, React, Node) training + 8 weeks of DSA (Data Structures & Algorithms) training. After the successful completion of the training, we will help you get a full-time job in a company with a minimum of 5 LPA CTC.

This is a fully refundable program i.e if you successfully complete the training and, you are not able to get a full-time job offer with min 5 LPA CTC within 6 months either through Cuvette or from anywhere, then your complete enrollment fee will be refunded with no questions asked. You will have to submit all the mandatory assignments, pass all our evaluation tests, and follow all instructions to be eligible for the Refund Policy.

We wish you the best of luck with your upcoming journey and are really excited to see you in the class.

Regards,  
Atul Singh  
CEO, Cuvette
